There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of ones life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

09.09 am (UK-Time) 24 February 2025 PRESS RELEASE

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

Moreover, I am willing to offer you 15% of the total sum as compensation for your effort input after the successful transfer of this fund to your account.

I was checking your website and see you have a good design and it looks great, but it's not ranking on Google and other major search engine.

I'm a SEO Expert and I helped over 150+ businesses rank on the (1st Page on Google). My rates are very affordable.

There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

I apologise for the subject title being too long for your needs (rectified now). More to the point, I find it reprehensible that Dr Oranusi has not telephoned me to confirm or reject the appointment following his assessment of the evidence contained in the following link which you should find self-explanatory:

It would be interesting to see if I get a call from Dr Oranusi before 3 March 2025 10.45 am in response to my letter emailed to him through KMPT PALS.

Thank you for your email. Your letter has been forwarded to the doctor as requested.

Would you kindly refrain from putting such exceptionally long titles in your emails to us as they cause difficulties forwarding on and saving. They are unnecessary; a succinct title to the point is preferred.

11.10 am (UK-Time) 24 February 2025 PRESS RELEASE:

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

11.10 am (UK-Time) 24 February 2025 PRESS RELEASE:

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

Dear Sir/Madam

I apologise for the subject title being too long for your needs (rectified now). More to the point, I find it reprehensible that Dr Oranusi has not telephoned me to confirm or reject the appointment following his assessment of the evidence contained in the following link which you should find self-explanatory:

It would be interesting to see if I get a call from Dr Oranusi before 3 March 2025 10.45 am in response to my letter emailed to him through KMPT PALS.

Dear Mr Panigrahi

Thank you for your email. Your letter has been forwarded to the doctor as requested.

Would you kindly refrain from putting such exceptionally long titles in your emails to us as they cause difficulties forwarding on and saving. They are unnecessary; a succinct title to the point is preferred.

Thank you.

It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

15.43 pm (UK-Time) 24 February 2025 PRESS RELEASE:

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Did you see the news, Shantanu? Keir Starmer is going to Washington this week to meet President Trump in person. One topic up for discussion? Trade. [1]

We know US healthcare companies want their hands on our NHS - and we cannot let that happen. That's why all of us need to come together to make our voices heard.

176,000 of us have joined the fight to ensure the NHS isn't on the negotiating table in US trade talks - but your name is missing! Can you sign the petition now, Shantanu? Click below to add your name with just one click.

I'LL SIGN

I disagree, because...

Here's what the open letter says:

To: Prime Minister Keir Starmer

Protect our NHS from US healthcare companies! Commit to never including our health service in any trade deals with the US.

Keir Starmer has been warned that Donald Trump will demand full access to the NHS for US healthcare companies as part of a new trade deal.

The result? US pharmaceutical companies pushing up drug prices - forcing the NHS to spend more, and potentially reducing the amount of critical drugs available. We can't let that happen.

With a meeting between Trump and Keir Starmer on the cards, the Government must commit to the NHS always being off the table during US trade talks. This is a line that ministers must not cross.

Can you sign the petition now, Shantanu? Click below to add your name with just one click.

I'LL SIGN

I disagree, because...

Thanks for all that you do,

Olivia, Matt and the 38 Degrees team

NOTES:

[1] Politico: UK's Starmer to meet Trump next week

Here's the previous email we sent on the petition:

BREAKING: Keir Starmer has been warned that Donald Trump will demand full access to the NHS for US healthcare companies as part of a new trade deal. [1]

The result? US pharmaceutical companies pushing up drug prices - forcing the NHS to spend more, and potentially reducing the amount of critical drugs available. We can't let that happen, Shantanu.

With a meeting between Trump and Keir Starmer on the cards, we need to act now to make clear this is a line ministers can't cross. If 100,000 of us sign a petition today, we'll demonstrate the strength of public pressure on this issue, and make the Government commit to the NHS always being off the table in trade talks with the US.

Shantanu, protecting our NHS from profit-hungry US healthcare companies starts now. Can you sign the open letter calling on the PM to ensure the NHS is off the table during trade negotiations? If you sign and then share with three friends, we'll reach 100,000 today!

I'LL SIGN

I disagree, because...

Thanks for being involved,

Matt, Olivia, Itzel, Veronica and the 38 Degrees team

Dear Mr Panigrahi

Thank you for your email. Your letter has been forwarded to the doctor as requested.

Would you kindly refrain from putting such exceptionally long titles in your emails to us as they cause difficulties forwarding on and saving. They are unnecessary; a succinct title to the point is preferred.

Thank you.

State-persecutor sends Dr Shantanu Panigrahi a criminal anonymous email

in General Discussion

<https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/state-persecutor-sends-dr-shantanu-panigrahi-a-criminal-anonymous-email>

For the persecutor who sent me a criminal anonymous email yesterday evening at around 8.30 pm (UK-Time) that I deleted from my Gmail inbox, all mail and Bin folders, I would ask you to try again with better chance of success; for I have succeeded in disposing off the criminal proceedings against me with the linked correspondence: Disposal of criminal proceedings (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/disposal-of-criminal-proceedings?origin=notification>.

I have no bail currently imposed on me by Kent Police with the disposal of its revived attempt to manipulate proceedings accordingly, and equally, I have no Summons Referral to Medway Magistrates Court outstanding for 10 November 2023, 2 pm Trial Hearing

All future correspondence on this matter should be sent to Olives Solicitors at info@olivessolicitors.com who are my legal representatives in this matter.

18.26 pm (UK-Time) 24 February 2025 PRESS RELEASE:

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b For those people of other countries who share the philosophy of Conservative Libertarians) you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

DR SHANTANU PANIGRAHI 1st Claimant Ref
 MRS THERESA MAY - PRIME MINISTER OF THE UNITED KINGDOM 1st Defendant
 Red Z I b l 9776/M MX HO19

The hearing of the claimant's application dated 23.06.2022

will take place at 10:00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by the court in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and you may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be called later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1 pm and if your case is listed in the afternoon it is heard by 4pm. In some circumstances it is possible that your hearing could overrun. Solicitors and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300.123.5577

Information for people with disabilities visiting the Royal Courts of Justice (RCJ)

At HM Courts & Tribunals Service (HMCTS) we want to provide:

- an experience that works for everyone
- services that people with disabilities can use independently where possible
- services that can be used in a fair way

We know that people with disabilities sometimes need our help and support to use our services. This can mean that we need to provide something different so you can access and use our services in the same way as a person without a disability. We often call this a reasonable adjustment.

What reasonable adjustments can we provide?

We're able to do lots of things that mean that people with disabilities can use our services independently wherever possible and in a way that is fair, for example:

- providing our forms in large print
- providing our guidance in audio or easy read
- making sure hearing enhancement systems are available
- providing a separate waiting area
- making sure ramps and lifts are available.

This list doesn't include everything we can do to help, and we'll always talk to you first about what you need.

If you need help or support in the hearing room, we will also discuss this with the judge hearing your case. We are committed to making sure everyone can give their best evidence and everyone has a fair hearing.

How to arrange a reasonable adjustment?

Disabilities affect people differently so we won't always know what will help. If you have a disability that means you can't access our information and services please get in touch with us. You can request help and support as usual by phone, in person or in writing by:

- emailing RCJ.DCO@justice.gov.uk, or central.london.county.dco@justice.gov.uk
- phoning our Disability Contact Officer 0207.947.6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Important note.

Many areas of the RCJ are Grade 1 listed, and this means there may be restrictions to the changes we can make. Some of the areas you will need to access could be a 5 to 10-minute walk from the nearest entrance.

Getting around our building and support before the hearing.

- 1.1 you need a parking space (blue badge holders only) please contact the Listing Office by letter, e-mail or phone at least 24 hours before your hearing.
- email: RCJ.DCO@justice.gov.uk or central.london.county.dco@justice.gov.uk
- tel: 0207.947.6063
- your case number

- car registration, make, model and colour
- warm' H luc l3adgc nurn bc-i and issuing authority.
- Wheelchair access in to the RCJ is available at: West Gate (9am - 4.30pm), and Bell Yard North (9.30am - 4.30pm).

Thick curtains and the main entrance have intercoms linked to RCJ Security.

- Step-free access (via ramps, stair lifts and lifts) is available to most areas of the building. A map detailing the best routes for step-free access is available at each entrance and/or upon request.
- Accessible toilets are located throughout the RCJ. Maps are available but please let us know if you need details in advance.
- If you have limited mobility, we have a limited number of manual wheelchairs available for use. You may bring a carer to support you using the wheelchair.
- Support Through Court are a charity supporting people who face court alone so that they can represent themselves to the best of their abilities. You can find out more information on www.supportthroughcourt.org or phoning 020 7947.7701 .
- Assistance dogs are welcome in all HMCTS buildings.

'The hearing.

For the hearing itself, we can provide:

- breaks in court proceedings. We will ask the judge to consider your request before your hearing begins
- help with reading and writing court forms. Some court documents can be provided in large print or braille <https://www.gov.uk/government/collections/court-and-tribunal-forms>.
- hearing enhancement systems in some of our courts (also available at reception and at our public courtyards). We also have portable hearing loops available on request.

Cases are listed in accordance with local hearing arrangements determined by the Judiciary and implemented by court staff. Every effort is made to ensure that hearings start either at the time specified or as soon as possible thereafter. However, listing practices or other factors may mean that delay is unavoidable. Furthermore, in some instances a case may be released to another judge, possibly at a different court. Please contact the court for further information on the listing arrangements that may apply to your hearing.

Dear Sir/Madam

I apologise for the subject title being too long for your needs (rectified now). More to the point, I find it reprehensible that Dr Oranusi has not telephoned me to confirm or reject the appointment following his assessment of the evidence contained in the following link which you should find self-explanatory:

<https://www.knowledgeassessmentanddissemination.com/forum/main/comment/724ed769-2237-43c8-ba02-f7d750e3a8b3?postId=61655bca47938e00162102c7>

It would be interesting to see if I get a call from Dr Oranusi before 3 March 2025 10.45 am in response to my letter emailed to him through KMPT PALS.

Dear Mr Panigrahi

Thank you for your email. Your letter has been forwarded to the doctor as requested.

Would you kindly refrain from putting such exceptionally long titles in your emails to us as they cause difficulties forwarding on and saving. They are unnecessary; a succinct title to the point is preferred.

Thank you.

Sorry, I should have given you the full back ground to my work for your consideration:

04.21 am (UK-Time) 25 February 2025 PRESS RELEASE:

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.
